

PERPETUAL BIRTHDAY CALENDAR

Thank you for stamping with me in 2020!

My Stamping Motto: Love what you do, share what you love!

I hope that the new year brings you opportunities to share your love of crafting with others. This handy calendar will help you organize your card-sending occasions each month. The calendar never expires – and also makes a wonderful gift!

Create Your Calendar:

1. Print your calendar on Thick Whisper White or Very Vanilla Cardstock.
2. Begin at the left margin (the January edge) and trim away $5/8$ ".
3. Measuring from the cut edge, cut each calendar section to $3\ 3/8$ " wide.
4. Cut Designer Series Paper to 8 " x 12 " and score as shown ($3\ 1/2$ ", $3\ 3/4$ " and $7\ 1/4$ " on 8 " side and $8\ 1/2$ " and $8\ 3/4$ " on 12 " side).
